

Physics 113 - Fall 2006 - Problem Set 4

note: This problem set is due on the day you take Exam 1. So ...

- it is short
- the problems are Exam 1 material (on the hard/subtle end of spectrum)
- I will release solutions on the Tuesday prior to the exam (even though the problems are not due until Thurs.)

① 4-40

② 4-46

③ 4-53

④ 4-68
